An all-embracing celebration of all kinds of animal family life, reflecting the different ways children live today.

- By the creator of the bestselling *Lifesize* series.
- Every combination of modern human family represented.
- Warm and friendly introduction to the topic.
- Animal information checked by the Education Officer from the Oxford Museum of Natural History.

In this family, it's all down to Daddy.  
Emu daddies have to work ever so hard to look after their eggs, and they raise their chicks until they are two years old.
