

ASTRONAUT ACADEMY

Steve Martin * Jennifer Farley

Activity | 978-1-61067-470-6 | Ages 7+ | Paperback | 7 ¾ x 9 ½ | 64 pp | \$12.99 | LOC: 2015954191

Are you ready for the challenge? Ready to soar? Explore the skills an astronaut needs in this fun and educational interactive book.

- Activities, cool quizzes, physical and mental skills tests.
- Stickers, model space shuttle, poster, and game included.
- Space pilot, space engineer, space scientist: educational entertainment.
- Whimsical art, creative fun for anywhere.

SPACE ROVERS

DESIGN A MARS BUGGY TO HELP YOU EXPLORE THE PLANET

You will need:

- seats
- storage
- steering
- scientific equipment
- communication devices
- cameras
- tools

Remember that the surface of Mars has difficult terrain to navigate so make sure your buggy is able to handle it. Draw your picture below.

PLACE STICKER HERE

MISSION COMPLETE

When you have drawn your space buggy, stick your Mission Complete sticker here.

31

The activity page is titled 'SPACE ROVERS' and features a 'Mars Explorer' badge. It contains text about lunar rovers and the Curiosity Rover, along with a list of materials needed to design a Mars buggy. The page includes a drawing area for the buggy and a 'MISSION COMPLETE' sticker. The page number '30' is in the bottom left and '31' is in the bottom right.
