As a day unfolds in a quiet Italian village, a father encapsulates his hopes and dreams for his young child.

- Wise, moving and inspirational.
- Meditation on fatherhood.
- Timeless; works across generations.
- Celebrates the bonds between us.

Listen to your heart.
Take wise counsel.
Assemble the map.
But set your own compass.

You will be big most
of your life.
Enjoy this brief time,
just you and me.
Our days together
are short.
Sometime soon, you
will just be you.
