## ALL-STAR CHEERLEADERS

**Book 1, Tick Tock, Taylor!**

**Book 2, Save the Best for Last, Abby**

This new series will have young readers cheering as Taylor and the rest of the Glitter squad from Big D Elite Gym practice, compete, make new friends, learn new moves and most of all ... have fun!

In *Tick Tock, Taylor!*, teammate Sophie doesn't think Taylor will be able to do the moves fast enough to help Glitter take first place. Is she right?

It's hard to be the oldest, especially when your younger sister complains about being last in everything, and everyone always says, "We saved the best for last," even if it is a joke. But Abby's little sister Emma isn't just last – she's a flyer! She'd better get this new routine right! And Abby has to help, in *Save the Best for Last, Abby*.
