## I'M A DIRTY DINOSAUR

*Stomp, splash, slide, dive ...  
This little dinosaur just loves mud!*

What does a cheeky little dinosaur with a dirty snout do? Why stomp about getting dirtier and dirtier, of course!

Children will delight in this dirty dinosaur's playful antics and just may want to join in with the **sniffing, snuffing, shaking, tapping, stamping, splashing** and **sliding**, not to mention the mud!

***A celebration of messiness and an irresistible read-aloud!***
